

DECLARATION OF PERFORMANCE

According to Annex III of the Regulation (EU) No. 305/2011

For the construction product **TECNOFLAME®**
ETA-15/0350

1. Identification code of the product-type:

MA0-TP-21/22XXXXX

2. Type, batch or serial number or any other element allowing identification of the construction product as required pursuant Article 11(4):

Order number

3. Intended use or uses for the construction product, in accordance with the applicable harmonized technical specification, as foreseen by manufacturer:

"Intumescent products for fire sealing and fire protective products"

4. Name registered, trade name or registered trade mark and contact address of the manufacturer as required pursuant to article 11(5):

MARVON SRL
Via Gargnà, 6
Vestone (Brescia)
Italy

5. If applicable, name and contact address of the authorized representative whose mandate covers the tasks specified in Article 12(2):

not relevant

6. System or systems of assessment and verification of constancy of performance (AVCP) system applied, with reference to its legal base:

In accordance with EAD No. 35 0005-01-1104 "Intumescent products for fire sealing and fire stopping purposes" the applicable European legal act is: EC Decision 1999/454/EC of 22 June 1999, amended by EC Decision 2001/596/EC of 8 January 2001.

**The system to be applied is: system 1
See regulation (EU) N° 305/2011 Annex V.**

7. In case of declaration of performance concerning a construction product covered by harmonized standard:
not relevant

8. In case of declaration of performance concerning a construction product for which an European Technical Assessment has been issued:

the notified body MPA Stuttgart No. 0672 has performed the test report (903 0294 000-1) acc. to EN ISO 11 925-2 for fire classification acc. to EN 13 501-1 and has certificated the following:

**Classification report No. 903 0294 000-2
European Technical Assessment ETA 15-0350**

9. Declared performance

Essential characteristics	Performance	Harmonized technical specification
Mechanical Resistance	No performance determined (NPD)	
Reaction on fire	E	EN ISO 11925-12 [2]
Resistance to fire	Effective	
Air and water permeability	No performance determined (NPD)	
Release of dangerous substances	None	
Safety in use	No performance determined (NPD)	
Protection against noise	No performance determined (NPD)	
Energy, economy and heat retention	No performance determined (NPD)	
Durability and serviceability	Use category Z ₁	EOTA Technical Report 024 [1]

10. The intumescent construction product "TECNOFLAME" full fill the requirements concerning reaction to fire class E and maybe used for applications under use conditions type Z1 and type Z2 according to EOTA TR 024 for fire stopping and fire sealing or fire protective purposes e.g. as a components of fire doors.

The product does not contain dangerous substances. The indicated performance of the product are in conformity with the declared performance in point 9. This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.
