Gli Ornamenti

Le lavorazioni artigianali dei Maestri Incisori

La serie *Elite* e *Luxury* sono caratterizzate da lavorazioni artigianali proprie dei Maestri Incisori che ancor oggi tramandano di padre in figlio l'antica arte del bulino e da secoli sapientemente impreziosiscono e rendono unici prodotti come armi e oggetti di oreficeria, destinati ad appassionati e collezionisti di tutto il mondo.

Le diverse ornamentazioni dei raffinati motivi **Liberty** e **Arabic** vengono e videnziate dalle varie finiture della piastra incisa, ma trovano la loro massima esaltazione nella serie *Luxury*, dove la precisa mano dell'artigiano posa nell'incisione foglie d'oro nei vari colori, trasformando con la personalità propria dell'artista un oggetto "comune" ed inusuale in un'autentica opera d'arte.

The Ornaments

The ancient art of Master Chisellers

Locks variety *Elite* and *Luxury* are characterized from artisan working typical of Masters Chisellers that for ages enriched and made unique products like hunting guns or jeweller's wares destined worldwide collectors.

Today the fine art of engraving is still transmitted from father to son.

Refined ornaments of **Liberty** and **Arabic** style are marked from the several finishings of the brass plate, but find the maximum exaltation in *Luxury* series where the precise artisan's silky hands lovingly place gold powder in different colours that transform a "standard" and "unusual" product in a really "piece of art".
